

Information in the context of the current update of our “**Roster of Electoral and Democracy Support Experts**, <https://www.eces.eu/en/roster-of-experts>”.

ECES maintains a roster of specialised experts available for various opportunities related to electoral and democracy support projects funded by our donors, which primarily are the European Union and/or its Member States (<https://www.eces.eu/en/funding-and-cocontributions>).

ECES is an independent, non-partisan, and not-for-profit Foundation, established at the end of 2010, that has already implemented activities in **more than 50 countries**, mainly in Africa, Europe and the Middle East.

We promote **electoral and democratic strengthening** through the provision of advisory services and operational support via innovative tools and financial management methodologies. In our activities, we mainstream capacity and leadership development using peer-to-peer exchanges and comparative experiences to promote dialogue as well as the prevention and mitigation of electoral conflicts (<https://www.eces.eu/en/about-eces>).

We have also crafted and copyrighted our strategy called "[A European Response to Electoral Cycle Support - EURECS](#)", which is implemented via other [specific methodologies and tools that make a total of 21 copyrights](#).

EURECS is an innovative delivery mechanism to implement **electoral and democracy assistance activities that are consistent with European values and EU policies. EURECS aims to facilitate cooperation on electoral matters between the EU, EU member states and their partner countries.**

In this context, our Roster is used to support the recruitment of expertise diverse aspects of the electoral and democracy support field to work for ECES, both in the field and at ECES HQ in Brussels, including but not limited to:

- Electoral planning
- Electoral budgeting
- Electoral Boundaries Delimitations
- Civil and Voter Registration
- ICTs and Election
- Legal Electoral and Constitutional frameworks
- Capacity and Leadership development,
- Civic-voter education,
- Electoral logistics & operations,
- Result Transmission
- Electoral Dispute Resolution
- Media Monitoring
- Electoral Conflict Mapping and Prevention
- Project Coordination
- Financial Management and Auditing

The field of electoral and democracy support is highly specialised, necessitating specific knowledge, expertise, and experience. Our Roster ensures that we can rapidly deploy the right individuals for our projects.

With that in mind, we ask those who have already submitted their CVs to our Roster in the past, to send us an updated version to recruitment@eces.eu. We also invite those who have not sent their CV and would like to be incorporated into our Roster to share their CV, specifying their areas of expertise.

The same goes for people that you know or are not able to submit their CV because they are currently working in another position within EU institutions or others. This will allow us to provide you with potential opportunities and to contribute to new ECES projects and ECES HQ.

Please note that all data is collected, stored, and handled according to the procedures indicated in our GDPR, an extensive Data Protection Policy that is compliant with EU regulations and requirements indicated in their General Data Protection Regulation.

Please see the [ECES Factsheet](#), with information about our foundation, our strategy, and our work, or you can consult our web site, www.eces.eu.
